Other Interests & Hobbies:

Music: Marching band, Jazz Band, Wind Ensemble
 Spending time with friends and family

About Me:

Academically, I am an honors student with a balanced course load of honors and AP classes. Outside of school and softball, I am very involved in music. For my high school, I play tuba in the honors concert band, trombone for audition jazz band, and played sousaphone for my school's marching band. This year for marching band, I was promoted to Drum Major which is a high leadership position. I also work part time at Market Basket in the courtesy booth. Although, I am passionate about all the activities I do, softball is my biggest passion. I train with Nor'Easters all year around as well as Planet Fastpitch. I also play on my high school's varsity team in the spring. When I am not at school, band, or Market Basket, I am spending time with my friends and family.
